INTERVIEW SUMMARY

Applicant's representatives would like to thank Examiner Fischmann for contacting them on August 2, 2005 to discuss this case. The following recordation of the substance of the interview is believed to be complete and proper in accordance with MPEP 713.04. It is requested the Examiner notify the undersigned if the Examiner believes this statement contains any inaccuracies or if the Examiner believes this statement is otherwise not complete and proper.

Interview Participants: (1) Examiner Bryan R. Fischmann; and (2) Applicant's attorney, Jim Paige.

Claims 1-20 were discussed during the interview.

No exhibit or demonstration was shown during the interview.

On August 2, 2005 I contacted Examiner Fischmann to discuss a discrepancy I had found in the Notice of Allowability. Specifically, it was recognized the examiner had stated that claims 1-20 were allowed, however in the amendment

preceding claim 2 was canceled. Upon notifying the examiner of this discrepancy, the Examiner stated that actually claims 1 and 3-20 were allowable and that he could remedy this by issuing a revised Notice of Allowance.

No other substantive issues were discussed.

Respectfully submitted,

James J. Raige
